

**2008 – 2009**  
**Financial Information**  
**Fees and Tuition**

This year the Board of Directors has elected **NOT** to increase fees and tuition but rather to restructure payments in a manner that should be easier on the family budget. We have eliminated Application fees. Registration fees will be payable when a new child is accepted and to hold a place for returning students. Activity and Curriculum fees have been eliminated as separate charges and have, instead, been prorated and included in each month's tuition payment. Each new and returning parent will be required to sign a contract which specifically outlines how tuition shall be paid.

We bill tuition a month in advance and payment is due by the 20<sup>th</sup> day of the preceding month to avoid a \$25.00 late fee. Returning families will be billed for August in the month of July and September's tuition will be billed in August. Two months tuition will be payable prior to the enrollment of new students.

**Partial scholarships** are available to qualifying families and forms may be obtained in the school office. Scholarships are based upon financial need and a commitment to the school's philosophy. Parents must apply for scholarships and provide documentation of income every year. Applications are due no later than July 7<sup>th</sup> for the 2008 – 2009 school year. Decisions are made during the month of July and scholarship recipients will be notified at that time.

We will no longer accept bartered services in lieu of tuition. All parents are expected to volunteer their services from time to time for special events and activities such as campus clean-up days or our Fall Festival. Parents are encouraged to apply for various teaching and maintenance jobs. Notices of available jobs will be posted and an hourly rate will be set for each job. Parents who work for the school will be responsible for maintaining and submitting time sheets and will be paid on the last school day of each month.

**Tuition discounts** are available for families with more than one student attending our school. A discount of \$75.00 per month will be applied to a second child and a discount of \$100 per month will apply to the third (fourth, etc.) child.

Upon withdrawal or dismissal, refunds of tuition will apply only to those months paid in advance. There will be no prorating of tuition for partial months.

**Monthly Tuition** for full day students in Pre-K – Grade 8 is **\$390.00**.

**Pre-K** half day tuition is as follows: 2/week **\$200**, 3/week **\$300**, 5/week **\$350**

**High School Learning Center** tuition will be determined on a case-by-case basis.
